So you know how I kept saying my ear hurt? I went to urgent care and I have a freaking sinus infection. The lady tells me not to go to work until Monday. "Sharing is not caring." I laughed in her face. Ummmmm no. That's not going to work

I was up so late last night working on this power point and accidentally deleted it. I actually cried. Vasili tried to get it back it didn't happen. I'm half way done. It's at 6 I'm thinking of ramping up my heart and taking a trip to the er to postpone.
